LIST OF ACRONYMS AND PHOTO CREDITS

EXECUTIVE SUMMARY

PREFACE

## CHAPTER 1. DESCRIPTIVE OVERVIEW

INTRODUCTION TO THE PROFILE ISLANDS

THE PHYSICAL AND NATURAL SETTING

THE COMMUNITY SETTING

## CHAPTER 2. INSTITUTIONAL FRAMEWORK

THE PUBLIC SECTOR

ENVIRONMENTAL LEGISLATION

ENVIRONMENTAL NGOs (NON-GOVERNMENT ORGANISATIONS)

## CHAPTER 3. CONSERVING THE BIODIVERSITY OF JOST VAN DYKE

FLORAL HERITAGE

SALT PONDS: A CRITICAL ECOSYSTEM

FAUNAL HERITAGE (TERRESTRIAL)

## CHAPTER 4. JOST VAN DYKE AND THE SEA

THE PEOPLE OF JVD AND THEIR BOND WITH THE SEA

THE MARINE ENVIRONMENT

FISHERIES RESOURCES

SUMMING UP—THE INTERCONNECTEDNESS OF IT ALL

## CHAPTER 5. JOST VAN DYKE'S HISTORICAL HERITAGE

IMPORTANT SITES

DOCUMENTARY RESEARCH

## CHAPTER 6. JOST VAN DYKE'S CULTURAL HERITAGE

COMPONENTS OF JVD'S CULTURAL HERITAGE

VANISHING HISTORY

## CHAPTER 7. WASTE MANAGEMENT AND POLLUTION CONTROL

POLLUTION SOURCES

## CHAPTER 8. DIRECTIONS FOR THE FUTURE

WHAT IS ALREADY PROTECTED

CRITICAL SPECIES AND SITES

FUTURE PROTECTION PRIORITIES

COMMUNITY MANAGEMENT: A JVD APPROACH TO RESOURCE PROTECTION

## BIBLIOGRAPHY AND REFERENCES CITED

## APPENDICES

APPENDIX 1. JOST VAN DYKE ENVIRONMENTAL PROFILE PROJECT TEAM

APPENDIX 2. PRELIMINARY LIST OF PLANT SPECIES FOR THE PROFILE ISLANDS

## APPENDIX 3. PRELIMINARY LIST OF MARINE SPECIES FOR THE PROFILE ISLANDS

### LIST OF TABLES

TABLE 1.	Known elevations for Profile islands.
TABLE 2.	Recent storms and hurricanes in the BVI.
TABLE 3.	Population figures for JVD compared to total BVI population, 2001-08.
TABLE 4.	Age distribution of Jost Van Dyke population, 2008.
TABLE 5.	Current JVD interaction with the primary environmental units of the BVI Government.
TABLE 6.	BVI legal and regulatory instruments related to the protection and management of the environment.
TABLE 7.	List of the thirteen plant communities of Jost Van Dyke.
TABLE 8.	Vegetation communities of Jost Van Dyke and the satellite islands.
TABLE 9.	Salt ponds of JVD and other Profile islands, listed from west to east.
TABLE 10.	Bird species identified for Jost Van Dyke, Little Jost Van Dyke, Green Cay, Sandy Cay, Sandy Spit.
TABLE 11.	Common mammals, amphibians, reptiles, and invertebrates for Jost Van Dyke, Little Jost Van Dyke, Green Cay, Sandy Cay, and Sandy Spit.
TABLE 12.	Plant species of special concern, with locational information.
TABLE 13.	Faunal species of special concern, with locational information.
TABLE 14.	Areas of Jost Van Dyke and other Profile islands with multiple parameters of value or significance.

### LIST OF FIGURES

FIGURE 1.	Topographic map of Jost Van Dyke, Little Jost Van Dyke, Green Cay, Sandy Spit and Sandy Cay.
FIGURE 2.	Location of Jost Van Dyke, Little Jost Van Dyke, Green Cay, Sandy Spit and Sandy Cay.
FIGURE 3.	Little Jost Van Dyke, with Crown Land shown in yellow.
FIGURE 4.	Location of salt ponds, Jost Van Dyke and Sandy Cay.
FIGURE 5.	The coastal resources of Jost Van Dyke, Little Jost Van Dyke, Sandy Cay, Green Cay, and Sandy Spit.
FIGURE 6.	Coastal features of Sandy Cay.
FIGURE 7.	Marine features of Sandy Cay, with identification of four marine system zones.
FIGURE 8.	Location of historic sites, Jost Van Dyke and Little Jost Van Dyke.
FIGURE 9.	Crown Land on Little Jost Van Dyke, Green Cay and Sandy Spit.
FIGURE 10.	Boundaries for the proposed Little Jost Van Dyke Marine Protected Area.
FIGURE 11.	Boundaries for the proposed Northern Cays Marine Protected Area.
FIGURE 12.	Location of plants of special concern on Profile islands.
FIGURE 13.	Location of wildlife and habitats of special concern on Profile islands.

### LIST OF TEXT BOXES

BOX 1.	Jost Van Dyke and Tortola
BOX 2.	Successful NGOs Exhibit ...
BOX 3.	Why Salt Ponds Are Important
BOX 4.	Salt Ponds and Sea Salt Production
BOX 5.	Environmental Monitoring
BOX 6.	Impact of Climate Change on Fisheries
BOX 7.	Wooden Island Sloop
BOX 8.	Born in Jost
BOX 9.	Historical Artefacts on LJVD
BOX 10.	Sugar Production in the British Virgin Islands
BOX 11.	Prehistoric Sites
BOX 12.	Cultural Heritage
BOX 13.	Reduce, Re-Use, Recycle: A JVD Cultural Tradition?
BOX 14.	A Memory from 1960 ...
BOX 15.	More Community Voices
BOX 16.	Effects of Increased Sedimentation

## LIST OF PHOTOGRAPHS

- PHOTO 1. Pelican Cay.
- PHOTO 2. Sandy Cay Vista, May 2008.
- PHOTO 3. Near-vertical and contorted layers of volcanic bedrock along Cape Wright.
- PHOTO 4. Photo taken along the Western Peninsula of JVD illustrates ground that is completely devoid of soil.
- PHOTO 5. Example of a well-developed soil profile.
- PHOTO 6. The dramatic north-facing cliffs along the Western Peninsula, JVD.
- PHOTO 7. Dry stream bed at Brown Ghut, Jost Van Dyke.
- PHOTO 8. Sign outside of the office of the Jost Van Dykes Preservation Society in Great Harbour, JVD.
- PHOTO 9. Lonely Tyre or Thatch Palm towering along the Western Peninsula of Jost Van Dyke.
- PHOTO 10. Leaves of the JVD Indian Mallow (*Bastardiopsis eggersii*).
- PHOTO 11. Cockspur in bloom (*Erythrina eggersii*).
- PHOTO 12. Fruiting Lignum Vitae (*Guaiaecum officinale*).
- PHOTO 13. Lignum Vitae is easily distinguishable by its trunk.
- PHOTO 14. Tyre Palm (*Coccothrinax alta*) seedling, Western Peninsula, JVD.
- PHOTO 15. Barrel Cactus or Turk's Cap (*Melocactus intortus*) is more common on the dry coastal cliffs of JVD.
- PHOTO 16. Flowering tree, Prickly Pear Cactus (*Opuntia rubescens*) at Great Harbour, JVD.
- PHOTO 17. White Bay Pond, wet season.
- PHOTO 18. White Bay Pond, dry conditions.
- PHOTO 19. Lower Dog Hole Pond, in dry conditions.
- PHOTO 20. Great Harbour Pond, located just east of the Primary School, has standing water all year.
- PHOTO 21. Clean Hole Pond.
- PHOTO 22. View of the north and east sides of Cape Wright Pond.
- PHOTO 23. Sandy Cay Pond.
- PHOTO 24. Bridled Quail Dove (*Geotrygon mystacea*), locally named Turtle Dove.
- PHOTO 25. The Roof Bat (*Molossus molossus*), common on Jost Van Dyke.
- PHOTO 26. The Jamaican Fruit Bat (*Artibeus jamaicensis*), common on Jost Van Dyke.
- PHOTO 27. Dwarf Gecko (*Sphaerodactylus macrolepis*).
- PHOTO 28. The most common scorpion.
- PHOTO 29. Green Cay and Sandy Spit.
- PHOTO 30. Brown Pelican roosting in fringing Red Mangroves, south of Diamond Cay, East End Harbour, JVD.
- PHOTO 31. Gorgonian-dominant habitat, north shore reef of Sandy Cay.
- PHOTO 32. Sloop *Endeavor II* under construction on Jost Van Dyke.
- PHOTO 33. Turtle hatchling at Sandy Cay, September 2004.
- PHOTO 34. Historic sites of Jost Van Dyke and Little JVD.
- PHOTO 35. Carnival parade through Great Harbour in the early 1990s.
- PHOTO 36. JVD men harvesting thatch palms in the mid-1970s.
- PHOTO 37. Example of wattle and daub house on JVD.
- PHOTO 38. Wayson Hatchett demonstrates a killiwang made by his father, Baba Hatchett.
- PHOTO 39. A common Great Harbour site. Fishing is an important part of daily life on JVD.
- PHOTO 40. Model boat races in Great Harbour during the mid-1970s.
- PHOTO 41. Bateaux building was popular on JVD during the second half of the twentieth century.
- PHOTO 42. An example of point-source marine pollution.
- PHOTO 43. Boat activity at White Bay, JVD.
- PHOTO 44. Piles of trash along perimeter of Clean Hole Pond.
- PHOTO 45. Dumpster site adjacent to the White Bay Salt Pond.
- PHOTO 46. Derelict and abandoned vehicle along the East End Harbour Road.
- PHOTO 47. Green Cay in the foreground, with Sandy Spit offshore of Green Cay and Sandy Cay in the background, beyond Sandy Spit.
- PHOTO 48. Butterfly Orchids (*Psychilis macconnelliae*).
- PHOTO 49. A few strands of Stinging Bush (*Malpighia woodburyana*) were found along Brown Ghut.
- PHOTO 50. Christmas Orchid (not in bloom) (*Epidendrum ciliare*).
